

## Annual Donation Pledge

The Center for Financial Empowerment educates thousands of individuals each year with personal finance skills, and this life-enhancing work is made possible by the generous gifts of our donors.

### Consider the lives you can change with a contribution:

- A donation of \$50 provides financial workshop materials for one topic to an entire classroom of students.
- For only \$10 per month, you can provide one personal finance class for 15 high school students.
- For only \$26 per month, you can deliver the entire financial education series to 5 youth or adults.
- \$43 per month enables 30 high school students to participate in a Mad City Money reality simulation activity.

Your contribution will be used to prepare youth and families with the skills to achieve financial stability.

*The Center for Financial Empowerment is a 501(c)(3) nonprofit corporation. Contributions are tax-deductible as allowed by law, consult your tax advisor for details.*
